Dear Church Family,

Most of who have been in church the past couple of Sundays have noticed that I have been putting in what I call “Bulletin Exhortations.” Last Sunday’s went like this:

A preacher once said, “Most Christians are ‘betweeners.’”

“What do you mean by that?” someone asked.

“They are between Egypt and Canaan—out of the place of danger, but not yet into the place of rest and rich inheritance,” he replied. “They are between Good Friday and Easter Sunday—saved by the blood but not yet enjoying newness of resurrection life.”

The writer of Hebrews said in Heb.5:12-14 (NKJV), “For though by this time you ought to be teachers, you need someone to teach you again the first principles of the oracles of God; and you have come to need milk and not solid food. For everyone who partakes only of milk is unskilled in the word of righteousness, for he is a babe. But solid food belongs to those who are of full age, that is, those who by reason of use have their senses exercised to discern both good and evil.”

Apparently these people had been Christians for a long time; so long, that they ought to have been teaching others, but they weren’t.

If you had a child who failed to mature and grow you would know that you had a serious problem. The same is true for the Believer who fails to grow as a Christian.

Scripture teaches and I have always believed that a Christian ought to be all they can be in Christ Jesus. Some fall far short of what they could be and what they should be. God has a purpose for your life and it is not to be a mediocre Christian. We live in a society today where some Christians think they can live the Christina life without being faithful to their local church. That is contrary to Scripture. There are a lot of mediocre Christians these days, are you one of them? Are you a “betweenner?” Are you living out God’s purpose for your life?

The parsonage on Cedar street needs a good washer. If you have one you would like to donate call the church office.

The church purchased some bibles at a really good price. If you need a new bible come by the office and see if there is one you would like to purchase.

There are plenty of the Oilfield Bibles to be given away. Come by and pick up some and give them away to people you know or work with.

Dear FBC Family,

I would like to thank everyone who had a hand in getting my AC fixed last month. A special thank you to Bro. Dudley for putting it together for me and to Red for bringing a drill to fix my water faucet.
