CAREY LAKE

Volunteers will be greatly needed to help tie boots and put on skis. The kids will be walking to a park near Lincoln for skiing due to more snow (need signature to have kid participate). I need one adult at the Lincoln Park for each class. The drivers to transport the students to and from Carey Lake (3rd-6th) will need to make sure you have the information needed to drive. Please fill out below and send back ASAP so we can make arrangements. If we don't have enough volunteers that class will not be able to attend.
