

Important information about the Frozen Pie Sale

This year's Frozen Pie Sale runs from Thursday, October 11th to Wednesday, October 26th. **ALL orders and money must be received by October 26th.** **We understand, and apologize, that this is on the heels of the Glow Run, but to ensure delivery for Thanksgiving, the sale had to start now.** Pies will be delivered on Monday, November 19th, and Pie pick up will be from 2-6pm in the school parking lot. **Because of the frozen nature of this event, we are asking each family to be responsible for picking up all the pies they sell and deliver them to their friends & family. We have VERY little freezer space to keep left over pies.**

These restaurant quality pies will be ordered from Upper Lake Foods again this year.

Our Crazy Pie Social in May will be furnished with fresh pies from Sunrise Bakery.
