

POLAR BEAR PENGUIN CLUB

With cold weather here, it's time to prepare for a "Polar Bear" (grades 3-6) / "Penguin" (K-2) Club. Kids in grades K-6 will be allowed to go outside for recess on any day when the temperature is up to -10°. The "Polar Bear/Penguin Club" will give the kids a chance to get outside for a little activity and fresh air, even when the temperature isn't quite ideal. This club will allow students with appropriate outerwear and parental permission to go out for recess at up to -20°. Parents who allow their child to be in the "Polar Bear/Penguin Club" must sign and date this note and return to Mr. Johnson indicating your agreement.
