

Dear Friends,

October 2018

Planning is now underway for this year's Annual Community Thanksgiving Dinner to be held on Thanksgiving Day, November 22, 2018, from Noon. to 2:00p.m. at St. Leo's Hall in the Assumption School.

New people to the area, those who are alone and anyone who enjoys festivity, a good meal and good company on a holiday are welcome to attend. The meal is free and the facility is handicapped accessible. Also for those physically unable to get to St Leo's Hall, we will provide rides for those unable to drive. Delivery can be arranged by calling the office of St. James' Church to let us know where to deliver the meals (263-5764 and please leave a message). You can also e-mail us at stjameshibbing@gmail.com. These requests must be done by 5 P.M. on Wednesday, November 21, 2018. Thank you!

Enclosed with the letter, please find a list requesting volunteers and assistance. Add this to your newsletters, bulletins, news boards and any other place you can think of to spread this message. We will only succeed with the help of volunteers.

Please advertise the Thanksgiving meal frequently in the coming days. People are so busy at this time of year that they need to be reminded of the approaching Holiday.

We served close to 1000 meals at the 2017 Community Thanksgiving Dinner and we are anticipating a greater number this year. The amazing food and fellowship make for an enjoyable and gratifying way to enlarge the family for the Holiday and also do something good for the community and those in need. Please encourage your people to be a part of this very important activity.

This is a community venture which counts on volunteers and donations from the community to make this dinner possible.

A HAPPY THANKSGIVING TO YOU AND
"THANK YOU"
FOR MAKING THANKSGIVING HAPPY FOR THOSE IN NEED!
