

THIRD GRADE ARCHERY

Dear Parents/Guardians:

This year 3rd graders are not able to travel to other schools to shoot like the rest of the team. Due to this new rule in our region and National Rules/Regulations, we are going to host four in house tourneys for those 3rd Graders and we have a few schools join us. This way the archers will have experience, knowledge and parents can come and cheer them on. They will not have a shirt this year due to next year they will need one. Your fees go towards awards, equipment, maintenance, and tournaments. Your fee this year will be \$80. If you have any questions, please let me know. I would love to have your archer join us this year.

Sincerely,
Paula Kangas
