

AND GOD SAYS . . .

Sponsored by the Melrose Alliance Church

“Concerned about the renewal of an abortion debate in Canada, the delegates to the Canadian Medical Association's annual general council meeting (on August 15) made a head-scratching determination: babies are not human beings until after birth.... The doctors supported keeping the standard in place in Canada that doesn't regard unborn children as people until birth.” (LifeNews.com)

In Switzerland, “Sixty-two percent of people in the French-speaking canton voted in favor of a proposal obliging nursing homes and hospitals to accept the practice.... Doctors in nursing homes and hospitals must respect the wishes of a person requesting assistance to die.” (Wesley J. Smith for LifeNews.com)

“Did you know that with ObamaCare you will have to pay for life-saving drugs, but life-ending drugs are free. One hundred percent free.” (Jun 28, 2012, 15 Reasons Why The Obamacare Decision Is A Mind Blowing Disaster for America)

These decisions can only take place under certain conditions:

1. When people reject God's Word as their authority. God says children, and life, are a blessing and life is sacred (Psalm 127; 139:14).
2. Those who make these kinds of decisions are spiritually blinded by demonic authorities whom we are to fight against. Scripture reveals to us that we struggle “against the powers of this dark world and against the spiritual forces of evil in the heavenly realms” (Ephesians 6:12-13).
3. These decisions will only be made when the church of the living God is impotent—when there is too much of the world in the church instead of the church in the world. That is why God says, and I repeat the often quoted Scripture, 2 Chronicles 7:14, “If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land.”

This is the only way to really solve the problems in the world because our problems are really spiritual at their core, not political at all. To say otherwise is a demonic deception.
