September 2020

From the Desk of Your Missionary

According to God's Word, life begins at conception and God forms each child in the womb. Here are just a few examples from God's Word:

"As for Ephraim, their glory shall fly away like a bird, from the birth, and from the womb, and from the conception" (Hosea 9:11). "Then the word of the LORD came unto me, saying, Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee" (Jeremiah 1:4-5). "Thus, saith the LORD, thy redeemer, and he that formed thee from the womb, I am the LORD that maketh all things" (Isaiah 44:24). "Lo, children are an heritage of the LORD: and the fruit of the womb is his reward" (Psalms 127:3). "I was cast upon thee from the womb: thou art my God from my mother's belly" (Psalms 22:10). "For thou hast possessed my reins: thou hast covered me in my mother's womb" (Psalms 139:13). "And it came to pass, that, when Elisabeth heard the salutation of Mary, the babe leaped in her womb" (Luke 1:41).

On November 3rd, we are going to have the privilege of rendering to Caesar the things that belong to Caesar, the privilege to VOTE. Not only will you be voting for a person, but voting for the principles that person and his political party represents.

As stated in my column last month, one party's platform states (in part) "**abortion must be part** of comprehensive maternal and women's health care and included as part of America's global health programming." ABORTION IS MURDER, PERIOD, END OF DISCUSSION!

I cannot understand or comprehend how a person who claims to be a follower and believer of Jesus Christ could ever vote for someone who OPENLY states they will support the abortion of innocent babies. In fact, one party has gone so far as to now allow a baby to be born, then murder it after it has cried and taken his or her first breath. Infanticide is not only unbelievable to me, it utterly sickens me and makes me ill. But it is currently being allowed and practiced in the United States of America.

According to a February 14, 2019 article in "LifeNews.Com" 19 states allow infanticide: Alaska, Colorado, Connecticut, Hawaii, Idaho, Kentucky, Maryland, Massachusetts, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, Ohio, Oregon, Utah, Vermont, & West Virginia. For God's sake, what happened to the Christians in these states that they voted for people who would allow such debauchery & wickedness?

Vote on November 3rd for the people who support life, honor our Bill of Rights (the Right to Life) and who has a proven record of opposing the murder of pure & innocent babies.

SEPTEMBER IS **MISSOURI MISSIONS MONTH**

(Also known as the Rheubin L. South Offering)

September is the month that Missouri Baptist Churches traditionally take up a special offering for mission causes in the State of Missouri.

Not only are MMO funds used for mission causes in Missouri, but the Missouri Baptist Convention uses MMO funds to provide every Missouri Baptist family a personal copy of The Pathway, as well as helping local Pastors and their wives with training, and returning 10% of the funds from churches in an Association to their Association.

Please take up a special MMO offering during the month of September and send it to the MBC as a designated MMO Offering from your church.

Food for thought and a few laughs.

Children that aren't taught accountability for their actions grow up to become adults that think nothing they do is wrong.
