Sonshine Hacienda Home for Children

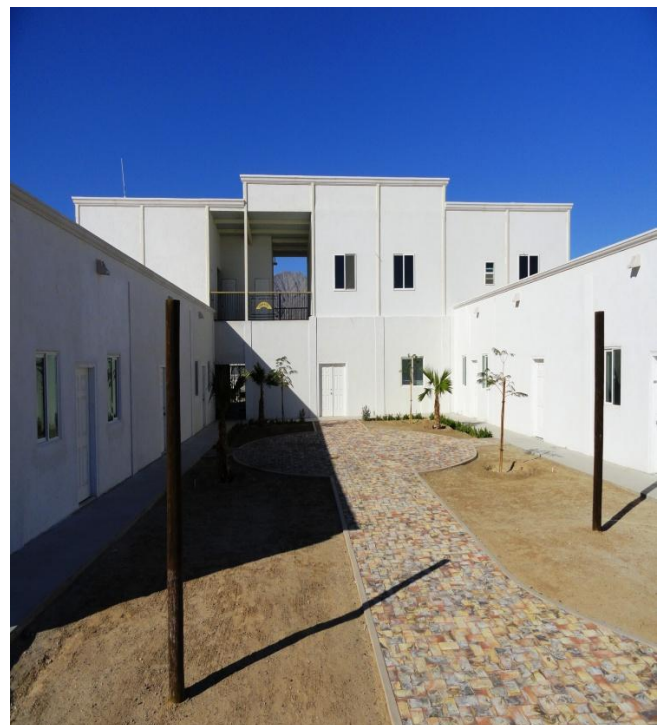

January/February 2011

SONSHINE HACIENDA UPDATE

Nothing can explain the progress that has been made at Sonshine Hacienda like taking a look at a recent photo of what's been happening out at our home for children. The structure is complete...Praise the Lord! Now we are currently working on finishing the interior work on the building. Much of that interior work has been done, but we are still working on electrical and plumbing. This work is being done by a fantastic team of volunteers headed by our volunteer Electrician, Harry Ortiz and volunteer Plumber, Jim Eckert. A big thank you to these two men and all those who work along with them to accomplish this important work completed at Sonshine. We would be lost without you!! With a small crew and volunteer labor, God is accomplishing great things!! Once we finish the electrical and plumbing work, then we can put the finishing touches on the kitchen, laundry and the dormitory bathrooms. We can also install the remaining air conditioning units located on the ground floor. ENJOY THE PHOTOS!!

IT'S TIME TO FURNISH/FINISH SONSHINE !!

The NEXT and LAST big phase of this project is to get Sonshine Hacienda furnished!! This needs to be accomplished before we can be certified, licensed and approved by the Mexican authorities to open our doors to accept children. We still pray that all our faithful supporters will continue to contribute to Sonshine Hacienda and possibly new contributors will step up and consider helping us with one time donations toward the furnishings.

This month we would like to focus on three items that we are going to feature that are a priority need. **First**, we are building our Bunk Beds here in San Felipe. Each Bunk Bed costs \$200.00 to make. We need 24 sets of Bunk Beds. **Second**, the Mattress for that bed will cost approximately \$125.00. We will need 48 twin mattresses.

The **Third** item is a Clothes Wardrobe for each Bunk Bed. This is a clothes closet for two children that will house their clothes, shoes, towels, personal items, backpack, etc. This will also be made locally in San Felipe and will be made of wood. We are hoping to keep the cost to about \$150.00 per unit.

If you are interested in helping purchase one of these items, just make out your check to Marketplace Missions and indicate in the memo portion of the check that it is for the purchase of a bunk bed or mattress, etc. Also, there is a complete inventory of our furnishing needs on our web sites if you would like to look at them. We also have physical lists of the inventory available. Just e-mail us and we will attach one and send to you or mail it to you.

COMMIT TO THE LORD WHATEVER YOU DO, AND YOUR PLANS WILL SUCCEED. PROV. 16:3
