BIBLICAL REFLECTIONS

Life From 35,000 Feet

If you've had a window seat when flying somewhere you know how different the world looks from 35,000 feet up. Houses are specks. Neighborhoods are swallowed up by cities. Cities become islands in the middle of unpopulated land. Whenever we can see the big picture of our lives, everything looks different. Now imagine if we could see our lives from God's perspective...

Colossians 3:1-4

Since you have been raised to new life with Christ, set your sights on the realities of heaven, where Christ sits in the place of honor at God's right hand. Think about the things of heaven, not the things of earth. For you died to this life, and your real life is hidden with Christ in God. And when Christ, who is your life, is revealed to the whole world, you will share in all his glory.

The truth is that it's really easy to live each day seeing things from ground level. And because of that we waste our time—or make poor decisions—that one day we'll regret. Part of worship is learning to see things from God's perspective and believing that His way is best.
