EARLY SERVICE NURSERY

A nursery will be provided in the early worship service beginning January 25, 2009 for children through age 5. Nursery workers will be available through the entire service, however if no children are in the nursery by 8:30, the workers will be welcome to return to the worship service. If you would like to serve in this area of ministry, please contact Julie Nance at 581-5598

To our Church Family,

Thank you so much for your prayers during our illness and hospital stays. We are both doing much better. Also, thank you to everyone who has brought food over, it has been much appreciated.

We love you all, Virgil & Lena Stull

From your Pastor

Dear Church Family,

In an effort to be better stewards of the Lord's money here at Centennial this will be our last mailed Contact unless you request that one be sent to you. The Contact will be available on the Church Website beginning in March,

there will be copies available in the Foyer of the Church, and we will make sure that the members of our Church that are in Local nursing homes receive a copy. This will allow us to save on postage and paper, and it will allow us to place more of God's money to-

wards other ministry causes. We will also send Church members weekly updates of church activities via email as well as including the weekly Church news in our bulletin so that we can all stay connected. God bless you.

Church Website Update

\$129 has been given for the Church Website— Due to budget cutbacks the Personnel committee is requesting that individual members of

our congregation give to the registration fee for our website. This new website will be easily updateable and it will be a good tool for ministry

The yearly fee is \$199.00.

Please make your donation through the weekly offering, just mark your envelope

Christian Ministry News

The new Monthly Meal Outreach has been put on hold until late February.

We will then begin preparing a meal one day each month using food from Angel Food Ministries. These meals will

be delivered to people who may have had a recent surgery or illness, some of our elderly members, or someone who just needs a warm meal.

Volunteers are needed to make this new ministry a success. We need people to help cook, deliver, and clean up. If you are interested in volunteering, please contact Judy Wagner (581-5558) or the church office (581-5173).

Secretary Resigns

Kim Pursley has resigned her position as Church Secretary. Kim has been a faithful servant of the Lord on 2 different "Tours of Duty"

here at Centennial with a total of 9 years of service.

She leaves Centennial to move to Kentucky with her husband, Mark who serves our country on Fort

Campbell Army Base. We will miss Kim and we wish her and her family well as they serve God together in Kentucky.

LETTER FROM DORIS WOODRUFF'S GRANDDAUGHTER

Hello family and friends,

I have a passion for reaching out and doing what I can as a Christian in my community. Recently I have been given the chance for an amazing opportunity to show my Christian faith outside this community, actually outside of this country.

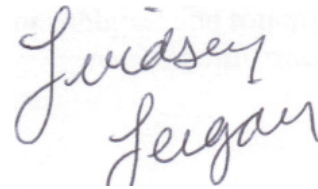

The University of Missouri is making it possible for 25 students to go to Harmons Jamaica for mission work. I am very fortunate to be one of those 25 students. We will leave March 23rd and return March 30th.

During this mission trip we will be constructing 12' by 15' houses. Jobs include carrying marl; framing the foundation; mixing and pouring concrete; assembling the wall panels; applying concrete to the walls; installing windows and doors; attaching the metal roof; painting inside and out; and dedicating it to the new family. *Carry marl:* Marl, or crushed limestone rock, is the basic ingredient for making concrete and needs to be carried in bags to future home work sites ... usually uphill. *Sort & deliver supplies:* The hundreds of pounds of clothes, medicine, school supplies, and toiletries that each team brings need to be sorted and then placed in a "store" in the Harmony House where local families can "shop" for basic needs. Two grocery size bags

in a "store" in the Harmony House where local families can "shop" for basic needs. Two grocery size bags filled with supplies cost approximately 75 cents for the locals. *Dig tanks:* Because Harmons has no water or sewer systems, residents must collect rainwater in tanks. Tanks are first dug and then lined with concrete. Some tanks are also needed to replace outhouses or allow for indoor bathrooms to be installed. *Repair homes:* Most houses are in desperate need of repair. Walls need reinforcement; rusted zinc roof panels need replacement. *Assist school teachers:* Two Primary Schools (1st - 8th grades) and two Basic schools (3-5 years old) are within close proximity to the Harmony House. When school is in session, a couple of team members will have the opportunity to help the understaffed teachers with their classes or deliver school supplies.

As you can see, this is a lifetime opportunity that I deeply want to participate in, but unfortunately cost plays a factor. The cost is \$1,300 for each student that plans to attend. I would be sincerely grateful for any support you could provide in helping me help others who have so little. If you would like to support me in volunteering for this very worthwhile mission, please make your donation check out to "Won By One". Your love and prayers for a successful mission are equally appreciated.

Gratefully yours,
Lindsey Leigan
