LIBRARY NEWS

1. **NEW BOOKS—AMERICAN GIRL STORY COLLECTIONS — JUST IN TIME FOR SUMMER READING!** The new books include: Addy (1864), Samantha (1904), Felicity (1771), and Josefina (1821). There are 6 stories in each book that cover a certain period of American history. The stories are inspirational, entertaining, and bring American history alive through the characters in the story. They are written for girls age 8 and up, but are enjoyable reading for all ages. We also have other story collections in the library for young girls.

2. **NEW BOOKS** — Two new Karen Kingsbury books are now available: **OCEANS APART** and **BETWEEN SUNDAYS** (2 books in 1) and also available, **SHADES OF BLUE** (donated). These highly popular books by Kingsbury are inspirational and based on biblical scriptures. They have been called “life-changing fiction.”

3. **FREE BOOKS** — Since we are running out of room in the Library, we have removed some of the older books that are rarely read. It is difficult to let them go, but we hope some of you will find a new home for these books and enjoy reading them at your leisure. Suggestion: Take some to a friend at a nursing home. The small bookcase beside the Library door contains the free books. Help yourself. They have a label on the front cover that reads “FREE.”

4. **DVD DISPLAY** — We will continue the DVD display for several more weeks. So far, it has been very popular.

WOM

The Women on Mission group will be making candles at their July meeting. The money made from selling these candles will go toward the next Mission Trip to El Salvador.

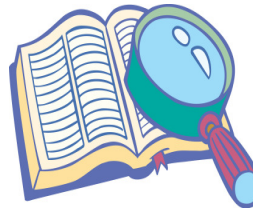

If you would like to help with this project, please come and join the ladies at 1:00 p.m. on July 22nd.

LANDMINES IN THE PATH OF THE BELIEVER

The Adult SS class, led by teacher David Penn, has started a new series of lessons entitled "Landmines in the Path of the Believer". This series was written by Dr. Charles Stanley, the Senior Pastor of First Baptist Church in Atlanta, Georgia and writer of more than 50 books.

Some of the spiritual landmines examined include Pride, Jealousy, Compromise, Fear, and Slothfulness. We will discover that the one

thing that exposes, unearths, and disarms any landmine left in the path of a believer is truth—God's truth.

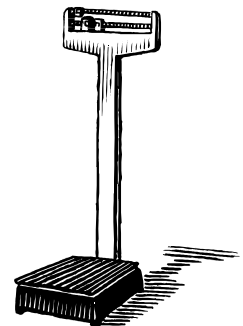

Come and join in the discussion of these truths and learn how to reach your full potential as a child of God. This class meets in the Fellowship Hall at 9:30 Sunday —everyone is welcome!

FIT 4 WELLNESS

The Fit 4 Wellness Class is happy to report that weight loss is going well.

The ladies say come have fun with them as they study how they can become a daughter of the King.

STATISTICS DON'T LIE!!!

Where is the Safest Place

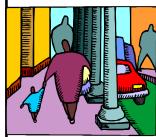

—20 % fatal accidents are riding in a car—avoid it

—17% all accidents are at home — don't stay there

— 14 % occur to pedestrians — avoid walking on streets and sidewalks

—16% involve transportation — avoid traveling by air, rail, or water

— 33 % occur in Hospitals— avoid hospitals

—BUT you will be pleased to learn that only .001% occur in worship services in Church. And... Bible Study is safe too — the percentage is even less.

So, attend Church, and read your Bible **IT WILL SAVE YOUR LIFE!**
