

THIS WEEK

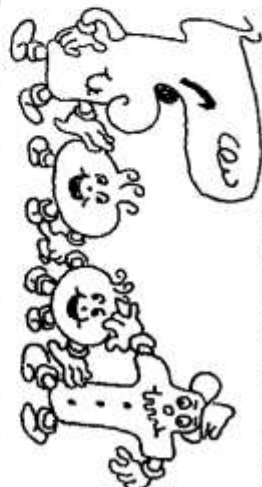

Our memory sentence is--"Every day holds joy abounding." Our word to remember this week is day.

"What a day!"--I believe we do not give each day the "grandness" it is truly do. Think-- today is the ONLY time in your entire life, or the entire time since man began counting "days" that today, this very moment in time will euebe! Will you use it or waste it? Try to make a beautiful memory of each day.
