

*Mission San Felipe is an independent, non-denominational Christian church. We welcome believers of every Christian background as well as those of none—who may not yet know what to believe.*

*Our focus is on trusting and obeying the inerrant Scriptures, the Word of God, as given in the Bible, with its focus on the Gospel of Jesus Christ as good news to be shared and the world around us to be served.*

*We are a community relying on the Holy Spirit to transform us more and more into the image and character of our Savior, pointing others to Him and displaying God's glory to the world. We believe there is strength for these tasks to be found in being unified on essential biblical tenets along with the acceptance of diverse opinions on non-essentials.*
