## Rough River Youth Ranch

Rough River Youth Ranch is situated over 70 acres in the scenic rolling hill country of Breckinridge County, Kentucky, near Rough River Dam State Resort Park. RRYR is a Christian boarding school located on the campus of Bethel Fellowship Ministries International, providing a quiet, peaceful setting for ministry to youth. The family-style ranch facilities house up to 10 girls or boys in separate homes, ranging in ages 10-17. Our equestrian program includes a 12-stall horse barn, an office, indoor/outdoor training, and workshop.

Leisure time activities include hiking, fishing, camping, and horseback riding on the hiking/equestrian trail beginning near the girls' ranch house.

RRYR leverages individual, team-building, and supervisory hands-on experience from the diverse fields of agriculture, business,

equestrianism, animal husbandry, equipment operation and maintenance, horticulture, and consumer science.

Staff and youth residents attend Bethel Fellowship Ministries International to instill ethics, a strong moral compass and selectively socialize locally, regionally, nationally, and internationally in church congregational activities and youth groups.

Rough River Youth Ranch is located 12 miles north of Leitchfield, KY and 17 miles south of Hardinsburg, KY on Highway 259.

BCA teaches all the traditional courses including foreign language and college prep curriculum.

Media internships are available on campus providing hands-on experience for higher level entry positions in the workforce.
