School Policy

Attendance: The state of TN requires the student to attend school 180 days out of the year. Wild Wood Academy's school year consist of those 180 days or more. Our attendance is verified by the number of tests completed. A total of 60 Pace tests are equal one grade level. The school year is divided into 4 quarterly reporting periods. Fifteen tests are required for each quarter. Of those 15 tests required for each quarterly reporting period, any shortage would be counted as an absence. An example would be if the student only tested and passed 10 tests in the quarter, that student would acquire 5 absences. We also break each quarter up into 3-week segments. If 5 Paces are not completed in the 3-week allotted time frames, then the student would fall behind. Reports are made each month, of student attendance, to the local school board. A student with more than 9 absences may be expelled or reported to the Montgomery County Juvenile Court for truancy charges.

Cell Phone Restriction: The students will not be allowed to use cell phones in the testing room. They need to be on vibrate and put away or left at the supervisor's desk. They cannot be on the student's desk or used during testing. The student cannot get up during a test and use their phone. Anyone caught using their phone may be suspected of cheating. This restriction will be strictly enforced and if need be, we will ban cell phones from the testing room entirely. If a student needs a calculator, paces 1085 and up, one can be issued to them instead of using their phone. A phone is a great thing unless it interferes with the student's learning. Please discuss this rule with your child.

Dress Code: The student must remember that this is a Christian School and that we are representing a Christian organization, A.C.E. The dress code of Wild Wood Academy is similar to that of public school. We will not allow any indecent attire or anything that would distract others from learning. A list of some of the things not allowed are following: No sagging, bagging pants. No miniskirts or short shorts. No low-cut tops or undergarments to be worn as clothes. As with public school no body piercing jewelry, except earrings, no jewelry or accessories which distract from the educational process or which present a safety concern. No skate shoes, house shoes or pajamas.

Smoking: The "Children's Act for Clean Indoor Air" aims to reduce the extent to which children are exposed to environmental tobacco smoke in facilities where children's services are provided. In Tennessee, smoking is prohibited in all public places including private education facilities. Please refrain from smoking within 20 feet of the exits. Children are not allowed to smoke or use any tobacco products on school grounds.

As parent or legal guardian of _____, I agree to, and will discuss the above school policy with my child. I also agree to provide transportation for my child to test every 3 weeks or sooner, if needed.
