Worry Is Not From God

Why do believers worry so much? Half of all people in America's hospital beds are constant worriers. 43% of all adults suffer health problems due to worry and stress. 75 to 90% of all visits to primary care physicians are stress related complaints or disorders.

Jesus says to us this morning, "Don't worry."

Worry is not necessary because of who our _____ is.

The root cause of our worry or anxiety is the fact that we don't think that our God is big enough to help us in our time of need.

Worry is not necessary because of our _____.

We will all die sometime unless the Lord returns.

Worry is not necessary because of our _____.

"But seek first his kingdom and his righteousness and all these things will be given to you as well.
