

Dear First Grade Families of 2021-2022,

What a successful school year it has been! However, it is common for students to forget some of the learning that took place during the school year. Given this, I have put together a packet to reinforce the skills learned specifically in math and phonics/reading. Please set aside some time for your child to work on these skills to ensure they are prepared for First Grade. As parents, we want our children to become successful in their academics.

Please encourage your child to complete the summer packet on their own. Directions can be read to them if needed. Return this packet by the First Day of School. Students who return the packet will be rewarded.

Thank you for your support at home. Have a blessed and safe summer! **Remember, you can do all things through Christ who gives you the strength!** - Philippians 4:13

Go HCA EAGLES!

In Christ,

Mrs. T. Andrade
First Grade Teacher
