Our plans are to start meeting with our pastors and discussing the plans and the things that we can do to help them as pastors to help their churches. Our strategists will be equipping teams to offer advice and help and mentoring if needed to other pastors.

We are working on our plans for Discipling Others. For the next 4 years are hopes and prayers are to have more folks in our churches helping to disciple other to be like Christ.

I met with Mitzi Woodson as they are looking at trying to start a Pregnancy Crisis Center in Stigler and for our association. This is in the infant stages so be in prayer about this ministry.

Our VBS Team met this month to finalize our associational meeting in April.

I went to KBA for our EX Brd meeting this month. Jay showed me the work that was done on the back of our cabin. That big washout behind the building has been filled in and concreted over. It looks good.

I helped with Calvary's food distribution.

I also attend DR Jordan's retirement party in OKC this month. It was well attended and a good evening for our retiring leader.
