

Hi Paul,

Thanks for your prayers on our behalf. Just a quick update – tomorrow morning Kerttu has several pre-surgery tests, and then on Thursday morning she has surgery to remove the cancerous growth and surrounding tissue. She'll stay overnight in the hospital before coming back home on Friday, if all goes well. Please pray that the surgery will go well (able to get all of the cancer) and that Kerttu will recover well from it. It still may be a couple of weeks after that before we know what treatments are needed.

Blessings,
Darrell
