

Mission Aviation Fellowship

Dear Friends & Family,

I love it when God totally surprises us 😊! Mike & I were really down yesterday. Things were not going as we thought they should and we were experiencing a bit of culture shock. We were also worried about how to help Joel with his car situation. Then we get an email from friends who have a car to give to Joel...it's even been delivered! God is providing in so many ways and we are blessed. We went back to Kampala Baptist Church on Sunday. Two of the hymns we sang were *"Count Your Blessings"* & *"Bringing in the Sheaves"*. Both of them are 'oldies but goodies'...one a reminder that God provides and the other a reminder of why we are here. We are so excited to tell you that our shipment from Lesotho arrived at our house on Friday evening 😊! Praise the Lord there were no hassles and everything arrived in good condition. We, also, have a prayer request. Our son, Joel, was in a car accident a couple of weeks ago. No one was hurt and the accident was not his fault. Unfortunately, the insurance company totaled his car because the car was not worth what it would cost to fix. He has limited finances and we ask that you would pray for God's provision in this area. Please contact us if you know of anyone who is selling a reliable, older car that Joel could buy.

Thanks for praying for us!

Sharol for the Shutts
