

Mission Aviation Fellowship

Dear Bro. Paul & Friends at Fairlanes,

Thanks, so much, for the gift you sent MAF for our support in August. You are a blessing to us and we really appreciate your support. Life in Uganda is very different from life in Lesotho. We are slowly finding our way and feeling more settled each day. Mike is happy to be turning wrenches again on the airplanes at the hangar J! We bought a car this past week and it has given us a bit more independence to explore our new surroundings. The house is slowly becoming a home as I put up curtains and hang pictures on the walls. We hope to meet with a carpenter this week to have some bookshelves made. Each evening we take a walk in our neighborhood. The kids like to wave at us and call us 'Muzungu' (meaning white person) and say 'Bye' instead of 'Hi'. The adults greet us politely and some are beginning to recognize us and respond more friendly. We have enjoyed the worship and fellowship at Kampala Baptist Church this past month and look forward to becoming more involved there in the future. Rejoice with us as we just celebrated our 30th wedding anniversary!

Blessings, Sharol (& Mike)
