

Fruitful or Fruitless

Matthew 21:18-22

Fruit is always an indicator of Biblical Salvation.
Matt 7:19-20

The Fruit of our lives proves what is in our heart.

When our hearts change our fruit changes as well.

The seed of grace is implanted in every heart of every believer, at the moment of salvation.

A powerful prayer life comes from a fruitful life.

The Great Harlot

Revelation 17

False Religion is any religion other than that which is of Jesus Christ.

False Religion is the Great Whore that seduces mankind.

False Religion trades truth for a lie.

The world that we see today is an Anti-Christ world system.

Babylon is deadly.

He will demand that the world worship him and him alone.

The Devil is on a leash and God rules.

Don't flirt with the world but make it your ambition to know the Lord Jesus Christ.
