KIDS' KORNER

It's time for The Hunt for Easter. Of all the activities we do as a Children's ministry this is one of my favorites. Last year at this time we were looking for something more meaningful than the typical egg hunt and The Hunt for Easter was born. It's an unique way for the children of our church to hear the Easter story and have a little fun while they are doing it. At each stop they are told a portion of the Easter story in an age appropriate way. This year we get to partner with The Good Fight Church to reach more of the children in our community with this awesome telling of the Easter story. We need volunteers to be at each stop to share their part of the Easter story. On Sunday I will have a sign up sheet and the portion of the Easter story that you will tell. I am so excited for this event to be better than it was last year, and I am excited to partner with my church family to impact the lives of the children of our church and our community. The Hunt for Easter will be April 15th at 10:00-12:00. I am looking forward to helping you find the perfect place to volunteer and allow God to use you in this awesome ministry opportunity.
