KIDS' KORNER

The Hunt for Easter was a great success. I would like to thank all the volunteers who helped make this day such a great day for the kids of our church and our community. As I walked around on Saturday I got to hear and see our kids learn about what Jesus did for us when he sacrificed himself on the cross. I stopped a group of kids as they finished their hunt and wanted to ask them about what they heard and saw. I was so touched by how they could tell me what happened at each stop. I had several of them to tell me how moved they were by seeing some of the things that hurt Jesus and how he did those things to save us. I truly believe that we have no greater responsibility than to teach our kids about Jesus' sacrifice, and I believe that happened this past Saturday. I encourage you the next time you see one of our kids around church ask them about the Hunt for Easter. You will be glad you did. As we look towards next year's Hunt for Easter I ask you to prayerfully consider how God can use you to be a part of this chance to impact our kids' lives not just for the event but for eternity.
