As we look to the new school year, I am excited to tell you about the new path our Wednesday nights are going to take. After a couple of years of struggling with the idea that AWANA wasn't working for the kids of our church and trying to figure out where God would have us go, we have decided to change our Wednesday nights just a bit. First we have a new name: **CVKids ROCK** (Righteous Outrageous Christian Kids). We believe that the best thing for our kids is to have scripture committed to memory; so with that belief in mind we have created a curriculum that focuses on one verse a month. We have chosen verses that we believe will be useful for them as they grow up and face the challenges of adulthood. Psalm 119:11 says, "I treasure Your Word in my heart, so that I may not sin against You". (NRSV). Imagine one of our kids as a senior in high school trying to choose a college, and they are comforted by this verse from Proverbs 3, "Seek the Lord with all your heart, and lean not on your own understanding; in all your ways acknowledge Him, and He will make your paths straight". What an amazing gift that will be to them now and in the future. We are excited to see God begin to raise up the future leaders of our church. Please pray for our children as they start a new school year, pray for this new Wednesday night program, and pray about how you might be involved to impact these kids.*Ms Shannon*
