KIDS' KORNER

Christmas is my favorite time of year, I love the music and the decorations. It is just such an awesome time. One of my favorite things about Christmas is our Children's Christmas program. I truly believe there is nothing more precious than the sweet voices of our kids singing about the birth of our Savior. This year our program is called "Camel Lot." It's a story of a father who has lost his focus on the true meaning of Christmas and while searching for his answer is reminded "Don't miss the manger." I am sure with all the things that the Christmas season brings (parties, shopping, and family gatherings) we can sometimes forget that the focus of this season is the Son of God coming to earth to be born of a virgin to save us all. I think we can all benefit from this reminder from one of our songs... "Don't miss the manger, come see the baby, sent to redeem us, Emmanuel. Don't miss the manger, behold the glory, heaven is here, true love is near, don't miss the manger." I hope that you will attend our program THIS SUNDAY @ 6PM and be reminded of the true meaning of Christmas by the sweet voices of the children of our church.
