

An Epistle from Paul:

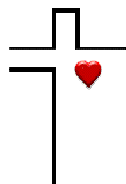

Man Thinks He's So Smart – The following are quotes from “smart people.” Read them over carefully and observe when they were made, who made them and just exactly what was said:

1. “Everything that can be invented has been invented.” - Charles H Duell, director of the US Patent Office, 1899.
2. “Who wants to hear actors talk?” – H.M. Warner, Warner Bros. Pictures, 1927.
3. “Sensible and responsible women do not want to vote.” – Grover Cleveland, 1905.
4. “There is no likelihood man can ever tap the power of the atom.” – Robert Millikan, Nobel prize winner in physics, 1923.
5. “Heavier than air flying machines are impossible.” – Lord Kelvin, President Royal Society, 1895.
6. “Babe Ruth made a big mistake when he gave up pitching.” – Tris Speaker, 1927.
7. “The horse is here to stay, but the automobile is only a novelty.” – A Michigan banker who advised Henry Ford’s lawyer not to invest in the new motor car company.
8. “*Gone With the Wind* is going to be the biggest flop in Hollywood history. I’m just glad it’ll be Clark Gable who’s falling flat on his face and not me.” – Gary Cooper.

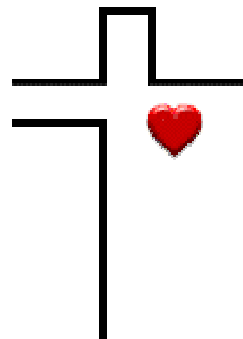

You can pretty much guess where we are going with this. 1 Corinthians 1:25 says, “*Because the foolishness of God is wiser than men, and the weakness of God is stronger than men.*” In comparison to God, man thinks he is so smart... How we all need to see the might of Almighty God. There is NO COMPARISON!!

“Gabe Puckett Immersed Into Christ!”

At invitation/decision time this past Sunday, Gabe Puckett made known his faith in Jesus as being the Christ and was immediately immersed into Him for the remission of his sins and the gift of God’s Spirit. Russ Puckett was in the baptistery at the time of his baptism. There were tears of joy and rejoicing in being able to witness this young man becoming a Christian. Keep Gabe in your prayers and be the example he needs to grow in Christ our Lord!!
