

An Epistle from Paul:

We Aim to Please – She was one of those fussy customers who make it most difficult to please. She came into the restaurant with high expectations. “Now mind you,” she said, “I want my egg fried exactly one and one half minutes. The white part should be done real nice, but I don’t want the yolk to be a bit hard. I would also like a pinch of salt, no more and no less, a sniff of pepper. Oh yes, make sure the frying pan isn’t too greasy. I also like my eggs straight from the country where the hens aren’t kept in cages...” This lady went on for several more moments with even more demands. The waitress ever so patient, sweet and determined to please asked, “One thing, Ma’am, the hen’s name is Doris. Is that going to be a problem?”

Let me use the above to illustrate this Biblical principle. We want to please you and everyone else we can in the church work here, BUT please understand this. We aim to please Christ the Lord above everyone else!... As a preacher of the Gospel I can assure you there have, are and will be those who are most difficult to please. In thirty-five plus years of full-time preaching I have come to this stunning conclusion, what ultimately matters when it comes to “pleasing” is our Lord. When He is pleased all others will either be pleased or sink back into insignificance when it comes to being a faithful servant of the Lord in His Church. Hey, we aim to please here at the Church of Christ and it begins with Christ 1st!!

Cantata Here Sunday December 16th!

The choir has been working diligently in preparation for this special presentation honoring the birth of our Lord. It will be taking place here at the building at 7 PM, Sunday, December 16th. The title of the cantata is “The Promised Hope...Starts with a Baby’s First Cry.” This will be an outstanding time for you to invite, bring and sit with friends, neighbors and family members. How we want to take as

many people to heaven with us as we possibly can. There are individuals out there who are waiting for you and me to approach them with the Gospel of Jesus Christ. This event lends itself to opening these kinds of doors. The message in music will be straightforward and simple to understand. It will encourage further conversation and hopefully opportunity to turn to the Word of God. People need a Savior, and that Savior is Christ the Lord. This might be the seed planting opportunity for which you have been praying for certain individuals. Join us during this special event!!!

Lloyd and Doris Hapner!

This past Sunday, Lloyd and Doris celebrated their 69th anniversary! If Paul Harvey were living they would most definitely be in his "Tournament of Roses." We commend Lloyd and Doris for their faithful years together and acknowledge there is no doubt the two of them still are *in love with each other*... What a blessing it is to know this couple and to be able to have them in our midst to this day. May the Lord bless and use them for years to come! Amen!!!
