

## *An Epistle from Paul:*

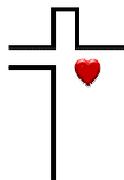

**Time Sure Does Fly** – Hang on for a *time warp*. The year 1996 came a little late. Honest, 1996 came approximately one second late. The nation’s official clocks added a “leap second” at the end of 1995. In other words the last minute of 1995 was sixty-one seconds long. Such was added to keep our clocks in tune with the earth’s rotation. The earth varies in speed because of friction and other factors. Since these can’t be changed we then must change our clocks. It is important to do for modern navigational equipment. Ships and planes use satellite signals and radio waves to plot their locations and destinations. A mistake of a millionth of a second can produce a positional error of a quarter of a mile or more...

Let me use the above to illustrate another Biblical principle. 2 Peter 3:8 says, “*But do not let this one fact escape your notice, beloved, that with the Lord one day is as a thousand years, and a thousand years as one day.*” What does that mean? It means TIME has no effect on God but as long as we live apart from Him, TIME is always going at warp speed (especially the older you get). Psalm 84:10 says, “*For a day in Your courts is better than a thousand outside...*”

Here then is my point: God be thanked that time flies. Those who are in Christ are that much closer to being present with the Lord where time will have no effect throughout eternity... Even so come, Lord Jesus!

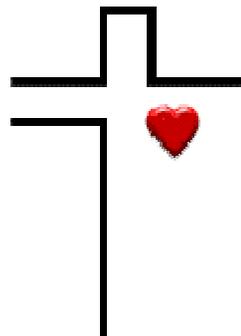

**P.S.** – We rejoice at the decision of Alex Green to become a Christian! What a thrilling day it was to witness his confession of faith and immersion into Christ for the remission of his sins and the gift of God’s Spirit. There are so many others who need to make a like decision. May God use us all to reach out and help those who are teachable to see and understand their great need for God’s grace... We are entering into a busy time of the year. There are a number of “happenings” taking place. Please, do your best to keep “up to speed” on these and be a part of the efforts being made to win the lost and build the won... Bring your Bible and your friends and together this Sunday we’ll worship Him!!

### *Alex Green Immersed Into Christ!*

Sunday, May 25<sup>th</sup>, Alex Green came forward at invitation/decision time to confess his faith that Jesus is the Christ the Son of the Living God and that he wanted to accept Him as his Lord and Savior. Immediately after his confession of faith we were privileged to witness Alex being immersed into Christ for the remission of his sins and the gift of God’s Spirit. How we rejoice in this young man’s decision to become a Christian. May each of us do all we can to encourage and be the example Alex will need to grow in the grace and knowledge of His Lord. Now, let us all go forth to be used of the Lord to take many more to heaven with us!!!

## Time to Get Signed Up!

We know there are at least three young people who are planning on going to camp this summer... What can we do to encourage others to plan accordingly? The church will be paying "full tuition" (i.e. the cost for the entire week of camp will be paid in full!). A better deal a young family will never find... Camp dates and detail for getting signed up are available in hard copy form or if you wish you can apply online at the camp's website. Again, let us know what we can do to encourage more young people to attend camp this year!!!

We have a good ole "Fish Fry" coming, Saturday, June 21<sup>st</sup>. It will be here at the building starting at 5 PM. Mark this down and plan now to be present with us for this big FISH FRY!!!
