Donna Andres, Director

The LeValley Day Care Staff

2008

Clean and ample rooms are provided for the care and safety of the children and are State inspected yearly. A constructive classroom area is used daily with emphasis placed on learning and preparing the children for Kindergarten with age appropriate activities and curriculum. When weather permits, an outdoor playground is available and used daily.

Playtime, naptime and lunch are held in the fellowship/activity room located on the main floor of the church. A large kitchen, which is certified and inspected by the local health department, is where a variety of nutritious meals are prepared and served.

Director Donna Andres and a staff of eight caregivers are certified instructors and are capable and willing to love and care for the children as they learn, play and grow in a Christian environment!
