Deacon of the Month

Beginning in August 2010, the Deacons will start a new program for ministering to the members of Tabernacle Baptist Church. Instead of Deacon of the Week we will now have a Deacon of the Month. During this month we will assist the pastor in hospital visitations and make nursing home visits. We will also still be doing other activities that have normally been done by the Deacon of the Week. One thing we will no longer be doing is assigning Deacons to a specific list of members based on Sunday School roles or by any other means. Your assigned Deacon will now be whoever is Deacon of the Month.

In addition to the new Deacon of the Month, we would like to let you know our protocol for passing along information regarding surgeries, hospital admissions, births, deaths, and any other needs that you may have. In the event you have one of the cases mentioned above, we would like for you to contact the church office. The information will be then passed along to the pastor, the deacon, Sunday School teacher, and any other committee as the need fits. This way we will have more than one point of contact to assist you in whatever the need may be. We feel this is the best way for us to be able to serve you and to make sure we do not miss anyone or any need.

As with the Deacon of the Week, we will list the Deacon of the Month in the Link and bulletin. As for August, I have the privilege of serving as your Deacon of the Month. I look forward to this new opportunity as I hope you will also. As always we are all available anytime you need one of us. Please do not hesitate to share with us your concerns, needs, or anything else you'd like to share.

Yours in Christ,
Jay Childers
