Top Ten Reasons for Going to Sunday School

10. It’s not for kiddies. (Nobody says going back to continue your education at a university/college is “kiddie”. Going to Sunday School is like continuing your education with God. But it’s not about degrees or a pay raise.) It’s about knowing God and following Him.

9. You can meet believers who share in your journey towards God.

8. You can pray for others and ask for prayer for what is heavy on your heart, too.

7. You can find out ways to serve Jesus in your community and around the world.

6. You can receive a deeper understanding for how the Bible is interwoven together to tell the greatest story of all: redemption through the death and resurrection of Jesus Christ.

5. Your curiosity in the Lord can grow, and you can go home and explore in depth the Scriptures from the lesson.

4. You can learn ways to share your faith in Jesus with others that you might not have thought about before.

3. You can grow in your courage of sharing your faith in Jesus with others.

2. You can stay grounded in God’s Word.

1. You can encounter God.
