Healing Touch

Mark 5:21-43

Two different stories of healing woven together into a single story.

These two stories of healing couldn't be more different.

1. **The first major difference** comes in the social standing and class differences of those to be healed.
2. **The second difference** has to do with how the healing comes about in the first place, and how these two people came into contact with Jesus.
3. **The third difference** has to do with the condition of the two sick people.
4. **The final and most striking of the differences** in the stories is that Jairus' daughter dies before Jesus gets to her.

The contracts between these two stories are many:

1. Rich and poor
2. Powerful and powerless
3. Asks for healing and takes the healing without asking

The ABC's of Salvation (3 Step Process to Accepting Jesus as Savior)

A - Admit that I am a sinner (Romans 3:23, Romans 6:23).

B - Believe that Jesus is God's Son, that He died for me, and that His death can save my soul (John 3:16, Romans 5:8-10).

C - Confess that He is my Lord and Savior (Romans 10:9-13).

(Example of a prayer for you to follow)

Dear God, I understand that Jesus died on the cross for my sins, so I could be in relationship with You and go to heaven. I'm sorry for living a life without You at the center. Please forgive me for all my sins. I want to follow You for the rest of my life. In Jesus' Name, Amen.
