TBC Mission Statement
Building Faith and Family Through Love

How Do I Become a Christian?

The most important decision anyone will ever make is to follow Jesus Christ as their Savior. The great thing about becoming a Christian is that all the work was done by God. The Bible says that salvation is by grace, meaning that God has given us a precious gift. If you are sensing God's movement in your heart and you desire to become a Christian, there are many around you who take joy in this decision. The minister of the church will be glad to talk with you and answer any questions you may have about this decision. It is as simple as, Confess that you are a sinner without hope, Accept that Jesus died for your sins, and Believe by faith that you are a new person in Christ Jesus.

How Do I Become a Church Member?

Christians are encouraged in the Bible to become a part of a local church in order to live out their faith in God. Tabernacle Baptist Church's mission is to "Build Faith and Family Through Love." If you are interested in becoming a part of this faith family, we would love to talk with you about taking an active part in Tabernacle. We have a new member's orientation program that will help you understand more fully what it means to share in church membership. Tabernacle accepts members who come from another Baptist church, or profess faith in Jesus Christ and have been baptized by immersion. If you are interested in learning more about church membership, contact the church office or one of the staff.
