**Every lost person reached**

**In the battle for lost hearts,  
 we all play a crucial role.**

This is where we live. Where we raise our families. Where we work, and where we play. And it's mostly a post-Christian world. 269 million of our neighbors in North America do not know Jesus Christ. Daily, we sit next to those without hope. But we can reach them through one of the most effective evangelism methods: planting churches. Together we can equip missionaries and reach the unreached in North America.

Your gifts to the Annie Armstrong Easter Offering® provide a solid foundation for these missionaries, their families and the churches they are building. **We can't all go, but we can all give together.**
