Dear Youth,

Cyle and I want to thank each of you for your card and gift certificates during our time of loss. Thank you all for your texts, messages, visits, calls and most of all prayers during this difficult time in our lives. It has been very difficult and odd without my papa, but wow God is so good and His peace and comfort is absolutely amazing. You have been precious to us, and thank you for your love and understanding.

Youth leaders and parents, thank you for everything you do and even more for stepping up and helping during this time. You mean so much to our family, and we appreciate the love and support you have for our youth. Thank you all too for your prayers, love, visits, cards, and gifts. (This letter will only be sent to those who were members and are now serving in other churches, but still receive the newsletter by mail. If you have any questions, please see Jay Childers.)

Dear Friend,

With the new year comes new challenges and opportunities for each of us to evaluate our process and procedures in our homes, our jobs and even our churches. Economic challenges have been especially hard on all of us over the last couple of years. We believe that every small change we can make for the better could have a larger impact on our budgets and spending. It is with that goal in mind that I send you this letter. As you are aware you are still receiving our church newsletter, **The Link**, by mail. We want to let you know of some alternative ways that you can receive our newsletter and by the same token save our church some of the cost of postage.

Tabernacle has just recently upgraded our web site and it is much easier to navigate, and more frequently updated. There are news updates that will keep you familiar with our current activities and pictures that will let you renew memories of friends and family you have at the church. **The Link** is also located on our web site, and you can access it at any time. Like your mailed copy, we update it every other week. If you have Internet access, you can check out our web site at any time.

In addition to the web site, we can also email you a copy of **The Link**. This will be sent at the same time the mailed copies and web site updates are completed. This option may be better for some of you, because it is a helpful reminder of when the newsletter has been updated.

For some of you neither of these options will be possible. We certainly understand and would like for you to continue receiving **The Link** if you so desire. If you would like to keep receiving **The Link** by mail, please call our church office at 427-9847 and let Delores or Ann know. Also if you would like to be added to the email list, please give us a call.

If we do not receive any confirmation of your wishes, we will hope that you are taking advantage of the web site and reviewing **The Link** there.

Please keep Tabernacle in your prayers and be sure to let us know of any prayer requests you may have so that we can be praying for you as well. God Bless You!

Jay Childers,  
Chairman of Deacons
