## Thank You Note

Dear Donna & the College Class,  
Wow! Words can't express my thanks to such a special Sunday School class for remembering me on a very hot summer day. I will be forever grateful for all the hard work each one put forth in cleaning my yard. You did an outstanding job and improved the looks of my yard by pulling weeds, hoeing, trimming shrubs, raking and mulching.

Thanks also for the beautiful flag on which the three words are written - live, laugh, and love. What a blessing you are to Tabernacle, and what a joy you bring to the senior citizens.

I pray for you and know that one day your kindness and willingness to help others will come back to you in abundance.

Much love,  
Peggy Vaughan
