

### Personal Note to All Friends from Kenny Price

In October 2012 I underwent a bone marrow transplant at Wake Forest Baptist Medical Center in Winston-Salem, NC. I was discharged in November 2012 and was home for my recovery when I began experiencing complications. On January 19, 2013 I was readmitted to Wake Forest Baptist Medical Center due to a series of serious setbacks which has put me into the Intensive Care Unit in the Bone Marrow Transplant Unit. I have endured numerous tests and procedures which the medical staff has determined that the bone marrow has shown results of rejection. I am currently being treated for Graft Vs Host in the abdominal area which is the primary focus. However, I have had several setbacks such as 2 collapsed lungs, loss of blood constantly for 3 weeks, pneumonia, and numerous other medical issues. I am receiving the greatest care that anyone could ask for. The entire medical staff is dedicated to ensure I get back on the road to recovery.

I have not worked since October 2, 2012 and would like to ask for help for some of the enormous amount of medical costs associated with my hospitalization. This assistance would help me with co-pays (2012 & 2013), deductibles, family stays, and return visits for food, gas and hotel expenses. This support will be a tremendous help on prior medical costs and will go toward now and future cost.

Thank you again for all your support and prayers I have received during my illness, and I ask that you continue to support and pray for me as I continue my journey through MDS. Love and thanks to all, Kenny Price

#### From the Benevolence Committee

As Kenny's medical expenses continue to mount, we again see a need for a Love Offering to be taken to assist our brother. The Love Offering will be taken on Sunday through March 13, 2013. We appreciate your generosity and sacrifice and know that Kenny will also. If you have any questions, please see one of the Benevolence Committee members (Donna Cody, Amy Smith or Kacie White).

3. The Hope Hospital Project at Lockhart, SC. Through our Men's Ministry, several men are working on a room at the old Hope Hospital (painting, etc.). Other churches in the county are involved in redoing a room also. When the mission center is finished, it can be used for mission housing (mission groups), food & clothing distribution, small group Bible study, etc.) Assistance will be needed on an ongoing basis for various projects.
