**Bone Marrow Donor Needed**

An individual at Tabernacle Baptist Church is in need of a bone marrow donor. Blood type is not important as they will check DNA and chromosome match with the individual. You should have no prior or current major medical conditions and be 18 years or older. If interested go to [www.bethematch.org](http://www.bethematch.org) and they will send you a kit that consists of swabbing your cheek and mail it back to them to check your match. You will also go into a national data bank for other needed transplants. Your help will be greatly appreciated. Please pray that bone marrow donors will be found for this individual of our church!
