Sunday School
Leadership Meeting
October 27, 2015
6:30 pm
Fellowship Hall

The work of the Sunday School is spiritual work. This means that the work of the Sunday School must be done by faith and in the power of the Holy Spirit. These two elements are basic and fundamental to Sunday School work.

I ask every Sunday School leader to begin praying and spiritually preparing yourself to work with God to do a great spiritual work this church year.

Because we are living in critical and crisis times, it is of great importance that all Sunday School leaders be at this first leadership meeting. This is the time we will share the plans for 2015-2016 and beyond with our Sunday School leadership.

Please come early so we can begin at 6:30 pm sharp. Come expecting to experience the presence and power of God. *"With God nothing is impossible"* the Bible says. Let us all move ahead with God, with excitement, and confidence.

Your Sunday School Outreach Leader
 Tommy McManus
