

# COME WORSHIP AT LIGHTHOUSE CHURCH

*We are open for worship!*

When not socially distancing, masks are required per city ordinance. Preference is for everyone to wear their own mask when moving about the sanctuary. You may take your mask off when seated for worship. We have a limited supply of masks available at the door.

Hand sanitizer is available for use.

Online Worship is available for those who are immune compromised.

Sanctuary rows are further apart. Please leave three empty chairs between each family. Tables are temporarily removed.

Children remain in worship with their parents. Children remain in their seats during Children's Message. Nursery and Children's Church is not provided at this time.

Some small groups are meeting onsite and/or by Zoom. Check out [www.paolalighthouse.com](http://www.paolalighthouse.com) for more details.

Kitchen is closed until further notice, so no coffee or treats.

For offering, there are two drop boxes located near the front doors where offering may be placed before or after worship. Online Giving or Text Giving is still available for your convenience.

A professional cleaning company sanitizes the Sanctuary each week.

**PLEASE NOTE:**

*All of these items are subject to change if County, State, or Federal government impose further restrictions.*
