

## **Jesus is Knocking**

Revelation 3:14-21

Jesus is calling; will the church open for His embrace?

**I. Imagine when you are taken for granted by a spouse you love so dearly**

**II. How the church takes Christ for granted**

**III. Have you taken Christ for granted? Reconcile and open for His embrace that it may be well with you**

### **Note to Self:**

Rev. 3:20 is not intended for sinners in need of a Savior but for saved believers who have unconsciously shut Jesus out because of worldly pleasures.
