## **"What the merge mean to me"**

This is difficult for me to put into words. Emotions are stirred each time I stop and think about it. I can see many opportunities in our future because of this merge. I am sure there will also be some problems and challenges that will surface as I am sure Satan will not be at rest.

Winston Churchill once said, "The pessimist sees difficulty in every opportunity. The optimist sees the opportunity in every difficulty." Opportunity!!!**

Please pray for the church in Durant and the opportunities to reach the lost!
