

Daily Home Screening

We do ask that you use the daily home screening tool to determine if your child is well enough to attend school. Please follow these guidelines:

- Does your students have the following symptom:
 - a fever of 100.0 or higher?
 - loss of smell/taste
 - new persistent cough
 - vomiting or diarrhea
- Does your student have 2 of the following symptoms:
 - shortness of breath, fatigue, sore throat, runny/stuffy nose, body ache/muscle pain, headache.

If **YES** to any of these please stay home, call your doctor and follow instructions for self isolation and testing. Inform the school office of the absence and report symptoms for contact tracing purposes. Rest and recover.

Is the student or a member of the household:

- confirmed positive for COVID –19?
- awaiting COVID-19 test results?

If **YES** to any of these stay home, call your doctor and follow instructions on self isolation. Inform the school office of the absence and report symptoms for contact tracing purposes.

School Office Phone: (715)344-5660 Please do not email to notify us of attendance issues.

If **NO** to all of the above, your child may attend school.
