

Scrip Center News

What is Scrip??

Scrip is a fundraising program that allows you to help earn money for St. Paul without spending any extra money you wouldn't normally be spending. It also allows you to earn credit to be applied toward tuition at St. Paul or Wisconsin Valley Lutheran High School, tuition assistance, Youth, Building for Christ or the Scrip program.

How Does It Work?

Scrip is really just another term for gift card. We purchase gift cards from various businesses at a discount and then sell them to families at face value. The difference between our cost and the face value of the Scrip is revenue for our church and school. You help us to fundraise just by spending money you normally spend anyway! For example, we purchase a \$100 gift card from Copps at a 4% discount. Our cost is \$96. A family then buys this gift card from us for \$100 and redeems it for \$100. The Scrip Program earns \$4 from this purchase. With the Scrip Credit option, 50% of this money (\$2) will stay in the program

and 50% (\$2) can be applied to your tuition or to another program that you choose.

Scrip Makes Tuition Affordable

The St. Paul Lutheran Scrip program helps make tuition affordable for many students who are attending our school. Some of these families might not be able to send their child to St. Paul without the extra help that Scrip provides.

Are you taking full advantage of these saving by using Scrip for all of your household expenses, including groceries, gasoline , home maintenance and even travel? Maybe you are doubtful that these purchases will really add up to any substantial tuition credit. Are you a skeptic? If so take a look for yourself! These are a few of the actual Scrip Tuition Credits that have been earned so far this year:

Family A: \$580

Family B: \$367

Family C: \$260

Family D: \$119

Family E: \$7

Where will you end the year? Is your goal to have your entire tuition paid for with Scrip? Well let me tell you it is possible!!
