

**GUEST SPEAKER/  
GUEST MUSICIAN(S) POLICY  
FIRST BAPTIST CHURCH  
GERALDINE, ALABAMA  
*Adopted May 20, 2012***

---

**First Baptist Church receives numerous requests from preachers, evangelists, missionaries, musicians, and singing groups on a regular basis.**

**In an effort to guard the pulpit and ensure the highest integrity of anyone leading in worship (through music, speaking, singing, drama, etc.), the following guidelines should be present in the life of each individual who leads in worship.**

- **The individual should be a Christian. This includes the recognition of and confession of one's sin state, repentance from sin, forgiveness of sin, believing that Jesus Christ is the Son of God, the only means of salvation, and asking Jesus Christ to be their personal Savior and Lord.**
- **The individual should be an active member of a local church congregation. This includes faithfulness in the areas of attendance, ministry, and tithing.**
- **The individual should be in doctrinal and theological agreement with The Baptist Faith and Message (2000). This does not mean the person is necessarily a Baptist.**
- **The individual must fill out the attached form openly and honestly, then submit it to the pastor for prayerful consideration.**

**Questionnaire for Potential Worship Leaders  
(Preachers, Ministers, Evangelists, Music Soloists, Music Groups, etc.)**
