POSTLUDE *O Worship the King* Haydn

*A*mong the Bible's symbolic language, a three-day period signifies and points to an act of divine intervention that brings rescue and salvation. *On the third day* is a moment of transformation and release from experiences of sickness, despair, grief, danger, and death. *On the third day* is a dynamic emergence of new light and life. This dynamic metaphor is proclaimed in the Season of Resurrection as a word of comfort, joy, and hope.

Our hearts rejoice as we celebrate the 2017 Confirmation Class. Their hard work and devotion to preparing for a baptism and for professing their baptismal grace under the leadership of Georgi Bernard and Jim Schneider has been inspiring. We pray God's blessings on you now and always as you unite with us in service to Jesus Christ the Risen Savior.
