Moments With Mike

Summer is quickly approaching, even though we have experienced cool temps. And with summer comes a lot of activities like church camp (Have you registered yet? There is still time and there are several different weeks that are just waiting for you to attend.) There is also Sports Camp. At this point there are 50 young people registered to come and have fun with sports and learn

about Jesus. If your son or daughter have not registered yet, go online at the church's website (www.twincitiescc-councilbluffs.com) and register today! It is going to be a great week of Sports Camp! And that's not all. We have a group who will be going to Show Me Christian Children's Home following Sports Camp on a mission's trip (July 16-18). And that is only the first half of the summer!

I want to ask all of you to be praying for each of these activities. Pray for the kids, for the camp workers, for the Sport Camp volunteers, for the group traveling to Missouri for the mission's trip, and for everything else that is happening during the summer. The summertime is an exciting time at Twin Cities.

"I call on you, O God, for you will answer me;
Give ear to me and hear my prayer.
Show the wonder of your great love,
You who save by your right hand
Those who take refuge in you from their foes.
Keep me as the apple of your eye;
Hide me in the shadow of your wings. . . .
. . . . I love you, O Lord, my strength.
The Lord is my rock, my fortress and my deliverer;
My God is my rock, in whom I take refuge.
He is my Shield and the horn of
My salvation, my stronghold."

- Psalm 17:6-8; 18:1-2

@ Twin Cities Christian Church

If you are between kindergarten and 5th grade, register now at www.twincitiescc-councilbluffs.com! You can choose from three sports groups: soccer, baseball, or creative arts (card making and crafts). It does not matter if you have played sports all of your life or just started yesterday, you will have a great time! Between sports sessions, our coaches will lead the kids in songs, tell stories, and lead huddle discussion groups that help character-building themes take hold in kids' hearts. Best of all, during our rally times, kids will hear stories from the Bible and discover God's love for them! Questions? Contact Matt Beckner at 402-917-0981 or at tc3matt@gmail.com.

The story is told of a farmhand who had worked for a married couple for several years. As time went on, the couple grew older and older and they couldn't do as much they had and the farm was beginning to look a little shabby. The paint on the barn was peeling. The fences had holes in them and slats were loose. The gravel road had potholes in it. Shingles on top of the farmhouse were beaten and weathered and needed replacing. But as the farmhand made his way to milk the cows each day, he thought: What is that to me? It's not my farm.

Then, one day the farmer and his wife asked him to come for dinner. They told him how much he had meant to them. They told him that they had no children to inherit the farm, so they wanted to give it to HIM when they died.

The next day, the farmhand was walking to the nursing barn, he noticed the paint on the barn. In a few days he'd painted the barn and fixed the fence, and in the next few weeks he was putting a new roof on the farmhouse and putting new gravel on the road.

Why would he do that? What made the difference in his attitude? He was now an heir. And as a Son he began to treat the old farm different than he ever had before.

And so it is with us. We are heirs to the Kingdom of God. And because we are heirs we have the joy of knowing that what we do, we do because of the fabulous gift of salvation our Father has given us. (From a sermon by Jeff Strite, entitled, "Beyond Servanthood" 8/26/2012)
