

2021 Centering Prayer

The CENTERING PRAYER group became *groups* this year. A Thursday evening session now gives working folks the chance to participate, as well as a second helping of communal peace for several Wednesday people. Emmi Felberg graciously reminds us and provides inspiration each Thursday. Both groups are joined *in time* (not zoom, but each participant in their own comfortable prayer space). The Wednesday group in theory gathers physically the final Wednesday of the month, but Covid, weather and other obstacles have frequently interfered. (Be sure to get on the email list if you're interested, so you'll know what's happening.)

At this time our membership is 20+, with an active core dozen who routinely check in. We are half Trinity folks and half from other churches (or none). Newcomers are warmly welcomed!
